# BEDFORD PARK *Blues*

STORY DENISE O'CONNELL | PHOTOGRAPHY JULES LEE

**KAREN'S FAMILY, INCLUDING TEENAGERS AND A DOG, WERE STARTING TO TAKE UP MORE SPACE. SHE LOVED THE 1930s-ERA HOME AND TORONTO'S BEDFORD PARK NEIGHBOURHOOD BUT DIDN'T LOVE SHARING A TINY BATHROOM.** Continued on page 47

**ABOVE:** A seasoned design pro, Marcus Iafate of Conik Studios creates unique and personal spaces that reflect each homeowner's individual style. **OPPOSITE:** This little kitchen niche adds function and character to the room. The heritage blue backdrop pairs beautifully with warm-wood shelving and a sweet vintage stool completes the space.
